During the northern hemisphere summer, understandably, many of our readers and supporters have been taking the opportunity to ease up their pace of activity and take a break. We hope they are returning refreshed and renewed for a new year of struggle.

But what is not so good is that this has also led to a major slow down in the rate of financial contributions which are *International Viewpoint's* major means of support. Our site is free to access, a great part of the labour is volunteer, but there are costs in hosting the site and we give a very meagre retainer to our translators so that they can keep some time in their busy schedules to help us out.

We regularly post at the end of each article a call for contributions but it seems this is not visible enough! Here it is again : *If you like this article or have found it useful, please consider donating towards the work of International Viewpoint.* Simply follow this link: [Donate](#) then enter an amount of your choice. One-off donations are very welcome. But regular donations by standing order are also vital to our continuing functioning. See the last paragraph of [this article](#) for our bank account details and take out a standing order. Thanks.

So you can pay by [Paypal](#), make a standing order to a sterling or US dollar account, or send a cheque.

The **sterling account** is:

Sort Code 20-26-20

Account number 40259691

Barclays, Didsbury, Leicestershire, LE87 2BB

IBAN GB30 BARC 2026 2040 2596 91

SWIFTBIC: BARCGB22.

The **US dollar account**:

Sort code 202620

Account No 58908599

Barclays, Didsbury, Leicestershire, LE87 2BB

IBAN GB15 BARC 2026 2058 9085 99

SWIFTBIC: BARCGB22

Sterling cheques and US dollar checks can be sent to: International Viewpoint, PO Box 62732 London SW2 9GQ, Britain.

Why should you do this?

We've told you how you can help us, but why? Because *International Viewpoint* brings to you information and analysis on the world class struggle contributed in large part by our fellow-thinkers in the countries concerned or republication of texts we think are useful and interesting.

There is no lack of important subjects : climate change that is threatening the very future of our planet, the geopolitical chaos that puts out lives at risk through the extension of wars, the vast movements of population provoked by these two phenomena that bring so much distress, the neoliberal policies of austerity that make the vast mass of the population pay for the crisis of capitalism.

At the same time we report on the fight back : the new rise of powerful women's movements impulsed from Latin America, workers' struggles from China to South Africa to France, youth and students' movements.

For all these reasons we appeal to you to donate TODAY to *International Viewpoint*, a one-off donation, a standing order. **We urgently need your support.**
