A new political space, this website will be an instrument in favor of the development and deepening of the Bolivarian and Latin American revolution towards socialism.

The editorial board of www.mareasocialista.com include Gonzalo Gómez (founder of aporrea.org and delegate to the PSUV), Stalin Perez Borges, National Coordinator of the National Union of Workers, and many of leaders and militants of the PSUV, the trade union movement, and the popular movement, from different states from the country.
