An important petition has been launched in defence of Baba Jan and his comrades. It includes a very useful summary of the case. It was initiated by Tariq Ali, Noam Chomsky, Quanader Bux Memon, Vijay Prashad, Farooq Tariq, atc. Have it signed and use it as a reference for other initiatives.

It was initially published on *Naked Punch* as an [“Open Letter Demanding the Release of Baba Jan Hunzai”](#).

It is also on ESSF now: [“Open Letter Demanding the Release of Baba Jan Hunzai in Gilgit-Baltistan \(Pakistan\)”](#).

For more information, including the financial solidarity campaign, see [Urgent Appeal : Death threat to activists imprisoned in Pakistan](#) in this issue of *International Viewpoint*.
