The Daniel Bensaïd website was launched in Paris on 31 January.

This project to keep alive the thought and work of Daniel Bensaïd was launched on Thursday in Paris. Bringing together articles, books and video and audio recordings by and of Daniel the vocation of website is to be multilingual although the French language section is the only full-developed one as yet. The English-language entry can be found here [Daniel Bensaïd](#).

International Viewpoint has its own Bensaïd archive [here](#).
